EDUCATION

CHITKARA UNIVERSITY
B.E. IN COMPUTER SCIENCE
Expected Jun 2020 | Punjab, India
CGPA: 8.45/10

SKILLS

TECHNICAL SKILLS
Programming languages:
• C/C++ • Python • JavaScript (ES6+)
• Java
Front-end:
• React • HTML • CSS • Materialize
• Bootstrap • jQuery • Knockout.js
Back-end:
• Django • Flask • Node.js/Express
Databases:
• PostgreSQL • MySQL • SQLite
• MongoDB/Mongoose
Utilities:
• Git • Docker • Firebase • Webpack

INDUSTRY KNOWLEDGE
• Data Structures • Algorithms
• Web Development (Full Stack)

OPERATING SYSTEMS
• Linux • macOS • Windows

FUN FACTS

INTERESTS
• Photography • Investing
• Entrepreneurship • AI

HOBBIES
• Competitive Programming
• Building Applications
• Playing Guitar

EXPERIENCE

FYLE | SOFTWARE ENGINEERING INTERN
Apr 2019 – Oct 2019 | Bengaluru, India
- Published an engineering blog.
- Worked on multiple microservices including back-end (Python, Java) and front-end (AngularJS), from conceptualization till delivery of the feature. Collaborated with cross-functional teams to facilitate releases.
